LAKE PLACID

Very comfortable home-away-from-home!  
We enjoyed the tranquility and  
recharged our batteries.

The gym was terrific in the other  
building. Apres-ski was VERY  
enjoyable in the hot tub (re-set  
the breaker located on the side of the  
garage if the jets do not work....).

We are heading back to Montreal -  
we love coming to Lake Placid in  
winter and summer!

We enjoyed our family trip to  
Placid! Your home is beautiful and  
in a great location for all the things  
we wanted to do.

The kids had fun roasting marsh  
in the firepit. Four fun filled days  
the grandparents and cousins!

Amenda caught a perch and catfish  
the lake and her brother Ben caught  
turtle and a sunfish and Uncle  
only got big lites.

We loved the hot tub and made use  
the gym. With 8 adults and 5 kids  
everyone had something to do.

We had a wonderful time here. The weather was just like out west - Beautiful blue skies, lots of stars at night. We had plenty of room for 3 families - Loved the hot tub! The gym, the pool table, large screen TV's all the high-tech appliances etc etc etc.

Check out "The bench" down the road a little ways - The river view is fabulous. So is the view from the top of Whiteface Mt - Very worth doing, though a little tough on the car brakes!!

Thanks for a terrific set-up. We would love to come again!! The air is so clean here -

Amber & Glen,

The family reunion is a huge success! This is 4<sup>th</sup> in the past 8 years your home was the best by far of all the places we've stayed at. The house is gorgeous and we thoroughly enjoyed our stay here.

Took in many of the usual local sites - White Sulphur Creek, Lake Le and some not so... "the - Wilniagton Stream, John farm, - did some kayaking on mountain lakes and swan in the river by the covered bridge.

We also put the hot tub table, and dart board to use. All in all, we had a wonderful time. Thank you!

When we drove up to 1971 Street we could not believe our eyes. What a beautiful home you have! We had a great time. There was so much to do. We had children from 2 to 16 and each had a wonderful time.

The lodge is beautiful. We thoroughly agree & being surprised at the great place we had. The web site does not do it justice.

We enjoyed the hot and having a bathroom each floor. Very family friendly. We liked the large table so we all sit down for dinner.

The volleyball net is great fun & enjoyed sitting on the deck in the Ad chairs.

Wonderful home in a very beautiful area -
